## Exercise Dice

### Method

Color stops have been put in to stop the machine. I used one color throughout the design. Please use colors of your choice.

Hoop a single layer of cutaway stabilizer. Stitch the first color. This is a marking line (dye line). Put a piece of fleece over the stitched area. Stitch the next color. Then stitch the motif. Stitch the second to last color. Trim away excess fleece from around the design. Stitch the last color.

Stitch out 1 of each design—12 designs in total

### Assembling the dice

Stitch or glue the pieces as shown in the photo

### Materials

**Cutaway stabilizer**

**Toy stuffing**

**Various colors of fleece**

**Hot glue to assemble (optional)**
