Fabric Paperdolls Clothing Instructions

Method

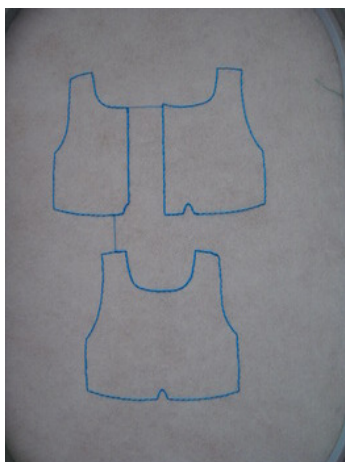

Hoop a layer of stabilizer. Stitch the first color. Place a piece of printed fabric over the stitched area. Stitch the rest of the design leaving the last two colors unstitched. Cut a piece of plain fabric and place it under the hoop of the design. Stitch the second to last color. Cut excess fabric from around the design from the front and back of the hoop. Stitch the last color. Cut the pieces out of the stabilizer.

Now to sew the clothing together. Using a small zig-zag stitch on your sewing machine, with wrong sides together, stitch the tops of the shoulder pieces together and the sides together. Some of the clothing has a marker in the middle of the bottom of the clothing. Stitch all three pieces together there.
