Fabric Paperdolls Instructions

Method

Hoop a layer of stabilizer. Stitch the first color. Place a piece of batting and a piece of fabric over the stitched area. Stitch the rest of the design leaving the last two colors unstitched. Cut another piece of fabric and place it under the hoop of the design. Stitch the second to last color. Cut excess fabric from around the design from the front and back of the hoop. Stitch the last color. Cut the fabric doll out of the stabilizer.

Materials

Now for the hair. Cut lengths of yarn about 16 inches in length. The more yarn you use the thicker the hair. Tie the lengths of yarn in the middle. Stitch this to the middle of the head. Then tie the on either side and stitch to the head of the fabric doll. I stitched the hair on by hand . It requires just a few stitches to hold the hair in place.
