Hanging Bin

You will need to stitch the following:

- 2 x Design 1
- 2 x Design 2
- 4 x Design 3
- 6 x Design 4
- 1 x Design 5
- 1 x Design 6
- 1 x Design 7

Stitch Design 3 pieces as follows:

Hoop 1 layer of stabilizer and stitch the first color. Cut a piece of batting and plain cotton fabric larger than the stitched area and place onto stabilizer. Stitch next color. This holds the fabric and batting in place. Stitch the next color. Place a piece of printed cotton over stitching and stitch next color. Remove hoop from machine and trim away excess fabric from around stitching.

Materials

Stitch next color. This marks the area for the next piece of fabric. Cut a piece of printed fabric and place over stitching. Stitch next color. Remove hoop from the machine and trim away excess fabric.

Continue in this method until there are only four color changes left. Stitch the next two colors. This will finish any raw edges.

Remove hoop from machine and place a piece of plain fabric under the hoop to cover the stitched area. Stitch the next color. Trim excess fabric from around the design on both sides of the hoop. Stitch the last color.

All the rest of the pieces are stitched as follows:

Hoop 1 layer of stabilizer. Stitch the first color. Cut a piece of thin batting and a piece of plain cotton fabric larger than the stitched area. Place them onto the stabilizer. Stitch the next color. This holds the batting and fabric in place. Stitch the next color. Remove the hoop from the machine and place a piece of plain fabric to cover the stitched area and stitch the second to last color.. Remove the hoop from the machine and trim away excess fabric from around the design on both sides of the hoop and stitch the last color.

Now to assemble the Bag.

Use your sewing machine and a zig-zag stitch for this. Stitch the pieces as shown in the photos:
The side top flaps (Design 5) don't get stitched here.
