## Renaissance Wingneedle Quiltblocks

### IMPORTANT

Please check with your dealer or in your machine manual if your machine can use a wingneedle.

If your needle moves on starting up the machine, only put the wingneedle in once the machine is on.

### Method

Hoop up 1 layer of stabilizer and fabric. Put the wingneedle into the machine and stitch the first color. Change needle back to normal embroidery needle and stitch the remainder of the design

### Materials

**Wingneedle**

**Fabric**

**Cutaway Stabilizer**
