Tuck-Me-In Burpie

Please read through this lesson before beginning.

Design 1a is used for each bib eg, design 2c

For this lesson I will refer it as design c

Start with Design 1a

Hoop 2 layers of water soluble stabilizer. Stitch the first color.

Place a piece of fleece over the stitched area and stitch the second color. Trim away the excess fleece from around the design.

Materials

Water soluble stabilizer

Fleece

Cotton Fabric of choice

Place a piece of cotton fabric over the fleece and stitch the next 3 colors. Place a piece of cotton fabric on to the back side of the hoop and stitch the second to last color. Trim away the excess fabric from both sides of the hoop. **DO NOT REMOVE THE DESIGN FROM THE HOOP WHEN DOING THIS.**

Stitch the last color. Cut the design out of the stabilizer.

Now for Design c

Hoop 2 layers of water soluble stabilizer. Stitch the first color. Place a piece of cotton fabric over the stitched area and stitch the next color. Trim the fabric away from around the design and continue stitching out until there are two colors left. Place a piece of fabric under the hoop to cover the design. Stitch the second to last color. Trim the excess fabric from the under side of the hoop and stitch the last color.
